

CITY OF EDINA CHARITABLE GAMBLING REGISTRATION

Organizations receiving a Charitable Gambling License or Exemption from the State of Minnesota, must have their application signed by the City. Before signing your state application, Edina does a background check of your organization's chief executive officer and treasurer. Each person's full name and date of birth are needed, to complete the background check. There is a \$15.00 fee for completing this check. Please have the two officers read this form, complete their portions, and each sign on the appropriate blank below.
